As regards sugar, levy sugar allocations are not made as per demand. Under the system of partial control of levy sugar, allocation to most of the States/Union Territories are being made on uniform norms of ensuring minimum 425 gm. per capita monthly availability for the projected population as on 1.1.1986. These norms are effective from 1-2-1987. Accordingly, monthly levy sugar quota of West Bengal and Sikkim are 25888 MT and 165 MT respectively. In addition to the monthly levy sugar quota, 7796 MT and 50 MT of levy sugar are released every year to the Governments of West Bengal and Sikkim, respectively, as festival quota. Further, Government have also allowed 5 per cent adhoc increase in the monthly levy sugar allocation to all States/Union Territories from August, 1991 to September, 1992.
